(D) No noxious or offensive trade or activity shall be carried on upon any lot; nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

For the purposes of this paragraph, split level houses shall be construed as a one-story dwelling unless there is a difference of more than six feet between the two levels, in which event the house shall be construed to be a two-story residence.

(H) The party of the first part, its successors and assigns, shall have and hereby reserves a right-of-way along the rear and side lines of the lots hereinabove described for pole lines and/or conduits for use in connection with supplying light, power and telephone service to said lots and to lots in other blocks adjacent thereto, and for installation and maintenance of drainage facilities.

(L) In the event of the violations of any of the building line restrictions herein set forth, the undersigned reserves the right by and with the mutual written consent of the owner or owners for the time being of such lot to change the building line restrictions set forth in this instrument; provided, however, that such change shall not exceed ten per cent of the marginal requirements of such building line restrictions, and shall apply only to the lot affected.

(M) It is expressly understood and agreed by the parties hereto that the foregoing covenants, conditions, reservations, restrictions and easements shall be covenants running with the land; but nothing herein contained shall be held to impose any restrictions upon, or easements in, any lot of the undersigned, not herein specifically referred to, this instrument applying to and affecting only said lots shown upon the aforementioned map.

(N) The restrictions herein imposed shall remain in full force and effect for a period of 30 years from the date hereof provided that the same may be renewed by an instrument executed by the owners of at least seventy-five per cent of the lots shown upon said recorded plat.

(O) If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the said covenants herein, it shall be lawful for any other person or persons owning any real property situated in said development or subdivision subject to similar restrictions to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from doing so or to recover damages or other dues for such violation.
